

Navigate Canvas Interface

1

The **Global Navigation** will include **Courses, Assignment, Grades, and Calendar**. Faculty and students can view the global navigation with all web pages.

2

Help: Click on the **Help** button in the top right-hand corner, a pop-out window will appear a list – ask your instructor a question, *search the Canvas guides, report a problem, eCampus help, ask the community, and request a feature.*

3

Recently Activity: The details of **Recent Activity**, may include **Announcement, Assignment, Notification, and Discussion**, will be seen in the user dashboard.

4

Coming Up: All of the upcoming activities will be shown.

5

Calendar: The **Calendar** in Canvas will automatically syncs with **Assignments, Grades, and Syllabus** for up to ten courses

The screenshot shows the Canvas LMS interface for Eileen Chen. The top navigation bar includes 'Eileen Chen', 'Inbox', 'Settings', 'Logout', and 'Help'. The main navigation menu is highlighted with a red box and labeled '1', containing 'Courses & Groups', 'Assignments', 'Grades', and 'Calendar'. The 'Help' button is highlighted with a red box and labeled '2'. The 'Recent Activity' section is highlighted with a red box and labeled '3', showing '2 Announcements' for 'Study Group and ENG00065'. The 'Coming Up' section is highlighted with a red box and labeled '4', listing 'Assignment 1', 'Assignment 4', 'Participation 4', and 'Quiz2'. The 'View Calendar' button is highlighted with a red box and labeled '5'. The 'Recent Feedback' section is highlighted with a red box and labeled '5', showing 'Nothing for now'.
